Qualifications

11 GCSEs (6 A*s, 4As, 1B)

3 A-Levels (2A*s: History, Geography - 1A: Politics)

FA Level One in Coaching Football

Previous roles

Football Coach | AFC Southgate | March 2013-present

Delivering high-quality coaching sessions under time pressure and responding to needs of players and parents. Developed skills of patience, time management, organisation and childcare. Have coached teams from U6-U10 in the Cheshunt Youth Leagues.

Football Coach | Kalo Sport | July 2018-present

Running afterschool clubs and delivering sessions to primary school children in P.E lessons. Role involved traveling to schools across London. Also led to further coaching roles at holiday camps in North London.

Football Coach | Frontline Football | September 2018-present

Running and overseeing afterschool sessions at schools across North London as well as coaching at holiday camps in Hampstead and elsewhere.

Football Coach | Dame Alice Owen's School | 2016-2018 | U11-U13

Coaching players of ages 11-18. Running weekly sessions and managing in the Hertfordshire County Cup and the Sixth Form 2nd XI league.

Other related work:

Deputy Editor-in-Chief | VAVEL UK | November 2013-present

A Premier League and UEFA Champions League-accredited online sports newspaper, I am the longest serving editor at VAVEL UK and, as Manchester United Editor, am responsible for ~100 articles per month on VAVEL, managing 30 writers, organising news and match coverage as well as editing and publishing articles with good SEO knowledge. Have interviewed international footballers in this role.

Freelance writer | The People's Person (Ball Street Network) | September 2017-present

Working daily shifts producing high-quality content for reputable Manchester United fan site The People's Person, responding to SEO needs and sourcing news under time pressure.

Programme Editor | AFC Southgate | August 2017-May 2018

Producing a 16-page matchday programme for SSML Div. 2 semi-pro side AFC Southgate for the 2017/18 season. Involved using Adobe InDesign and advanced Microsoft Word with extensive amounts of original content produced under time pressure.
